TLV®

Manual Lever Winch for loads from 800 to 3,200 kg

The TLV lever winch is designed for lifting and pulling loads over long distances.

► Technical characteristics

- > Designed for lifting and pulling loads over long distances.
- > Built with high resistance aluminum, making it light and easy to handle.
- > Heavy duty tool suitable for tough working conditions.
- > Low maintenance make it suitable for outdoor work.
- > Delivered with a 20m / 40m rope.
- > Delivered with CE certificate, and hook and chain certificate.
